

August 2010

Dear JPII Parents,

We would like to take this opportunity to introduce ourselves to you. We are your 2010-2012 Booster Board. We are your elected board serving two year terms with elections held by the membership. We meet once a month to coordinate the functions of the club with regards to membership, fundraising and helping to spread school spirit far and wide.

Membership in the Booster club is on three levels, **Blue** (\$50 - 2 passes) **Gold** (\$100 - 4 passes) and **Platinum** (\$500 - 4 passes and a sign in the gym). Your membership passes cover all **HOME** games played at JPII during the **regular season**. Otherwise, there is a \$5.00 gate fee per person, per sporting event.

We have several fundraisers planned for the upcoming school year, the money raised goes directly to our sports programs. Please consider joining early, we start off the year, with Cross Country, Football, Volleyball and Golf. Attached is a membership form, please fill it out, attach your check and send it to the office.

We will have a table at the **Wednesday, August 18<sup>th</sup> Open House** before school starts, so feel free to stop by our table and get your membership early! Included along with your membership you will also receive a couple of spirit shirts, depending on your membership level. We hope you will proudly wear it to all our games and even around town!

We look forward to a great athletic year at JPII and look ahead to seeing you around the campus ~ cheering on our beloved **PANTHERS!**
